## Organization is Kid's Stuff!

*Mudpuppy puts school work in its place*

It is never too early to learn to be organized and with Mudpuppy's new line of **Pencil Holders**, **Pocket Folders** and **Sticky Notes** – it can also be fun!

The new **Pencil Holders** come in a set of two and can hold lots of desk doodads. Choose from *Robots*, *Paper Garden*, *My Favorite Things* and *Around Town* – there's a theme for every taste. All those great designs can also be found on our new *Pocket Folders* and *Sticky Notes*. The **Pocket Folders** come with three in a pack – all with coordinating designs. With their interior pockets and sturdy construction – it's the perfect place to store those treasured A+ papers!

If you've got something you just have to remember there is nothing better than a **Sticky Note** and ours are made especially to delight kids of all ages. 8 pads in three sizes – 480 stickies total. So much fun you won't be able to stop sticken!

Brand new and hot off the presses – **Sticker Books!** Small enough to tuck in a knapsack with enough stickers (70+) for hours of big fun! Six themes including: Pirates (rrrrh!), Princess, Horse Friends, Monsters, Zoo Animals and Merry

Christmas. Complete with a matchbook style closure to keep all 8 sheets of stickers secure.
