rrrrrrrrrrrrrrrrrrrrrrh! You Ready for the Spring?

Pirates Take Over Mudpuppy Collection!

That's right mates – pirates are hotter than ever! **Sssssssssssssssss!** And they are showing up everywhere at Mudpuppy – on puzzles, play scenes and locked diaries. No sense resisting – you can't beat em – just join em!

With all these pirates running around – now would be a great time to teach the kiddies how to save their money. There is no better place to save your booty than rrrrh! new **Money Banks**. Each bank is divided into 3 compartments teaching kids the classic formula of Save, Spend and Share. Six beautifully illustrated designs to choose from – and because they come with a tiny matching lock – your pieces of eight will always be safe.

What makes a toy fun is not puzzling to us! Take for instance our new **Color-Me-Puzzles**, twice as fun because they are double-sided. On one side a colorful illustration. Then turn it over for your turn to be the artist and color the picture with the 4 jumbo crayons. They come in 4 designs including *On the Farm*, *Under the Sea*, *Enchanted Kingdom* and *Rush Hour*.

The Spring Collection has lots of fun themes on our classic formats – check out designs like: **Bugs**, **Horses**, **Mermaids** and great picture book art including ***Where the Wild Things Are*** and **Eric Carle**. It's going to be a **fun** spring!

Enjoy!

Brenda
